HKJC 2015

HANU-Kosen Joint Conference on global network in a cross-cultural environment 2015

Hanoi, December 2015

Call for Papers

Research is an essential aspect of a college/university student. In order to promote doing research amongst students as well as to enable a cultural exchange environment between students from different countries, the 2015 *"HANU-Kosen Joint Conference on global network in a cross-cultural environment (HKJC 2015)"* is held at Hanoi - Vietnam on December 10th and 11th. Specifically, the objectives of the conference include creating an opportunity of presentation in English for both graduate and undergraduate students, enabling students to experience diverse cultures and build a global network in a cross-cultural environment and providing students with networking opportunities, knowledge and ideas on research and international exchange among faculties.

The participants consist of:

- Graduate and undergraduate students in HANU and other universities in Hanoi.
- Students of advanced courses at 9 Kosen in Kyusyu and Okinawa area.
- Faculty members from HANU and Kosen.

The list of main topics includes (but is not limited to):

- Mechanical and Electrical, Electronics, and Optics
- Computer science & Information
- Chemical, Molecular, and Biotechnology
- Civil, Architecture, and Design
- Languages and Cultures

Submission guidelines

All submissions must be written in English. The suggested length of each paper is from 2 to 4 pages long. The deadline for paper submission is November 15th, 2015.
